Dr. Peter Rabins, M.D., M.P.H.

Professor of Psychiatry and Behavioral Sciences

John Hopkins School of Medicine

will present

"Memory and the Aging Brain"

on Tuesday evening, October 27, 2009 at 7pm

at the Avalon Theatre, Easton, MD

The Mental Health Association in Talbot County is sponsoring Dr. Rabins' talk as a part of its Distinguished Speaker Series to bring current health information to the community.

Dr. Rabins' talk, "Memory and the Aging Brain," will include:

- An update on new discoveries of brain function and memory
- A description of the typical pattern of memory loss as we age
- How physical and lifestyle factors affect memory loss
- Information on memory loss with Dementia and Alzheimer's
